The Lincoln City Golf Courses have a long and successful history of providing golfing opportunities to the citizens of Lincoln and the surrounding area. The golf program has for many years been a self sufficient, independent enterprise fund with all monies received going back in to the golf fund.

All Lincoln City Golf Courses are open to the public 362 days a year with the exception of the Ager Golf Course, which is open April 1st through October 31st. At times, any of the five courses may have a special event scheduled, which may affect the availability of the course for play. Therefore, it is always a good idea to call ahead or visit parks.lincoln.ne.gov/golf.

Tee times can be reserved at the four regulation, 18 hole golf courses, up to one week in advance at www.lincoln.ne.gov keyword "golf". Several Golf Membership options are available for the avid golfer and Gift Cards are available in any amount at any City course location.

All Lincoln City Golf Courses have full service professional golf shops, staffed by knowledgeable P.G.A. Golf Professionals. Every type of service is available, from full service tournament operations, custom golf clubs and beginning to advanced golf instruction.
